## Business Update

**Yorkville, Toronto, ON.  
October 18, 2021**

### **Let's Relax Spa acquired Happy Foot Spa at 70 Yorkville Avenue, Toronto**

This is an update on the fully opened Let's Relax Spa Toronto and the dis-continuation of Happy Foot Spa at Yorkville.

Happy Foot Spa had been a fixture in Yorkville, Toronto for over ten years. It had been serving the community with a group of highly experienced specialists. The staff members are highly respected and sought after for body treatments. However, in the midst of the pandemic, Happy Foot Spa was unable to continue its operation due to financial difficulties and the extended lockdown. The business was effectively shut down by province-wide public health orders and was in need of financial help.

In August 2020, under the lockdown, Let's Relax Spa acquired the business of Happy Foot Spa at 70 Yorkville. With this transaction, Let's Relax Spa assumed the lease of 70 Yorkville Avenue, the employees of Happy Foot Spa at Yorkville and all equipment.

As a result, the Happy Foot Spa at Yorkville has transitioned into Let's Relax Spa, which is better positioned to serve the Yorkville community. In addition to the existing employees of Happy Foot Spa, Let's Relax Spa has also brought in new specialists for certain other service areas such as facial treatments, nail treatments and waxing.

This update also serves as a reminder that Let's Relax Spa, formerly Happy Foot Spa, has been open from 10 am to 9 pm since the re-opening of Ontario businesses. We will continue to open to serve the community with some special deals to allow customers to experience our skills and dedication to the wellbeing of our customers.

Let's Relax Spa welcomes all customers, former customers and new customers, to come to visit us to meet your specialists and get yourself some relaxing sessions.
